THE DESCRIPTION OF THE PARTY OF

In Relation to Poll Tax.

AN ORDINANCE

SECTION 1.—He is ordained by the City Council of Salt Lake City, That every able-bodied man over twenty-

within the corporate limits of said city.

SEC 2.—It shall be the duty of the street supervisor of Salt Lake City, at any time between the First day of January and the Thirtieth day of November in each year, by diffigent search and enquiry to ascertain and list the names of said city liable to pay poll tax, as approvided in Section one of this ordinance, and shall return the names of all such persons with the number of the Municipal Ward in which they reside, or do business, to the Assessor and Collector of said city, whose duty it shall be to provide suitable books, and enter therein the names presented by the supervisor in Municipal Wards and in alphabetical order, with suitable columns opposite each name, to enter the kind of pay received, and state of payment. The collector is hereby arthorized to receive cash in payment of poll tax at his office, from any person tendering the same. He shall keep a suitable sub receipt

on the stub thereof.

SEC. 3. On application of the Supervisor of Streets, it shall be the duty of the Assessor and Collector to furnish him a list of all the names entered upon the poll tax bock; and, on receipt of said list, it shall be the duty of said Supervisor at any time duty of said Supervisor at any time duty of said Supervisor at any time heart. Insucence is gone and though duty of said Supervisor at any time restitution is made, the heart leefs its on receipt of said list, it shall be the duty of said Supervisor, at any time between the First day of January and the Thirtieth day of November in each year to deliver to each person liable to pay poli tax, or leave at his residence, or usual places of ousiness, a written or printed notice, citing him to appear at such time and which find her testing freshness of the heart. Insocence is gone and though restitution is made, the heart leels its weakness, all the more plainly by reason of that one misstep.

Boundless is the power of God. The vast mountains will exist through time. Man's efforts are perishable, but the rugged mountain brow, on her the said through the said that the said through th

payment of poll tax at his office, from any person tendering the same. He shall keep a suitable stub receipt bock for poll tax collections and shall deliver a receipt to cach person recain the neight it sprang from is no making payment to him, entering all the facts contained in such receipt on the stub thereof.

a written or printed notice, citing but the rugged mountain brow, on which God has impressed his hand, place as may be designated in said notice, with appropriate tools for the kind of work to be performed, giving each person not less than three days' are pigmy efforts, to the vast effects of supervisors is each person not less than three days' are pigmy efforts, to the vast effects of notice of such requirement. The Supervisor is authorized to negotiate on equitable terms for team labor when necessary.

Supervisor is authorized to negotiate on equitable terms for team labor when necessary.

Sec. 4.—Any person, after being rotified as provided in section three neglecting or refusing to perform such labor at the time and place designated in said notice, shall be required to pay such tax in money, and the Supervisor, as such, is bereby authorized to sue and collect the same as an action of debt, and no property shall be exempt from execution on judgment so recovered, in any court having jurisdiction.

Sec. 5.—The Supervisor shall keep a stub receipt book, and shall receipt therefrom to each person making payment of poll tax, whether in cash or labor, entering all the facts contained in such receipt book and stute shall be returned to the Assessor and Collector, together with all monoys collected on or before the last Monday in March, June, September and December in each year.

Sec. 5.—The Assessor and Collector shall on or before the first Monday in January, April, July and joy. God is merciful but does man judge in January, April, July and joy. God is merciful but does man in contained in January, April, July and joy. God is merciful but does man judge in January, April, July and joy. God is merciful but does man judge in January, April, July and judge in January, April, July and judge in January, April, July and judge in January and judge in January and judge in January, April, July and judge in January

Sec. 6.—The Assessor and Collector shall on or before the first Monday in January, April, July and October in each year, pay over all moneys, and account for all labor performed on poll tax, to the city treasurer, as may appear from the supervisor's quarterly returns; and the city treasurer shall pay quarterly to the county court of Salt Lake County, one-fourth of all the poll tax collected, in pursuance of section fourteen of an act of the Legislative Assembly of the Ferritory of Utab, entitled "An Act perfaining to Highways," passed February 20th, 1880.

Passed April 13th, A. D. 1890.

FERAMORZ LITTLE,

Mayor. were they allowed to indulge in procreation without any such restraint
upon their increase, this earth would
become uninhabitable. Thus we see
in the providence of God we are all
made to be dependent upon one
another. We might perchance exist
were we wrecked on some lone island,
far without the confines of civilization,
before without being dependent upon
the providence of civilization,
has not writhout being dependent upon
the providence of civilization,
the rest without being dependent upon
the providence of the day.

New York, 17.—The Star says yeater
day's heavy transactions in mining stocks
was largely influenced by the adjournment of the California legislature. but not without being dependent upon nature, or God. If nature is bounti-ful in the production of fruit and foregoing is a full, true and correct ful in the production of fruit and copy of an Ordinance, entitled "An beast we can live, but if it is a barren.

fix and SHEET IRON WORK with promptness, a Liberal Discount to Country Dealers.

GEO. M. SCOTT & CO.

In testimony whereof, I have hereunto set my hand and affixed the corporate set of the corporate set of the corporate set of the contemplation of nature is a grand, ennothing study, for we must go beyond present objects and acknowledge God, as the great Framer. porate scal of Salt Lake
City, this 15th day of
April, A.D., 1880.

April, A.D., 1880.

April, A.D., 1880.

### ON THE STUDY OF NATURE, itself the instrument of his punish ment. No man is, or ever was, so mighty but that he can reach him and mete out rightsous punishment. Nebuchadnersar, who vainly imag-ined himself the most powerful among men, found to his sorrow that this

one and under sixty years of age, resident within the corporate limits of said city, shall be required to pay annually a Road Poll Tax of two days' work of eight hours each day, or one and a half dollar per day in lawful money, in lieu thereof, under the direction of the supervisor of streets; stands above the clouds, in bright sun the Territorial and County Roads running through said city; second, upon any of the streets or alleys within the corporate limits of said city.

Mountains rear their somber, wild and terribly gigantic forms on high, as in derision of the puny efforts of man. Their summits pierce the story of all things by one who has clouds and the gazer, on their heights, of all things by one who has intelligence and discarnment, in can be seen the lightning dart sigzag, or as better the properly the many striking similitudes and beautics around. The heavens thing while below far down, the recking elements send down the throughout all ages. Oo Shinar's blains, ages anterior to Christ, were they engaged in fathoming the mysteries of astronomy. The shapping of the property is both innocent and instructive. Good may be derived from the appreciative study of all things by one who has intelligence and discarnment, in a sufficient degree to understand properly the many striking similitudes and beautics around. The heavens thing while below far down, the triple of the streets of all things by one who has intelligence and discarnment, in a sufficient degree to understand properly the many striking similitudes and beautics around. The heavens there were been the study of mankind the corporate limits of each day, or one and a half dollar per day in lawful from the appreciative study of all things by one who has intelligence and discarnment, in a sufficient degree to understand properly the many striking similitudes and beautics around. The heavens the cloude, in bright sun. The pleasure derived from the con some mountain side, watched un-weariedly the movements of the planetary bodies. Chaldea's sages prided themselves upon forstelling future events and by the motion of the starry heavens would they implously point out a nation's destiny.

Driven to America by Hunger. London, 17.—In consequence of the distress in Hungary 5,000 Magyars quitted that country for America the past winter.

### Bearney Must Go.

Constantinople, 17.—The Turkish min-ister of war dismissed Colonel Coope, an Englishman, from the Gende Armarier for refusing to go to Ergeroum. Colonel Coope refused because he had no money, as his salary had not been paid for three months. The British ambassador has remonstrated with the Ports.

New Orleans, 13 .- A crevasse occurred New Orleans, IS.—A cravesse occurred, yesterday, a mile below Thibodeax, on Bayou Lefourche, left bank. Mr. Pandair, of Morgan's Road, has 100 men at work, assisting an equal number furnished by planters. They hope to close the break by Sunday. Trouble continues with the Sharpe crevase, the daws having several times given way. The authorities hope to have it permanently closed this week.

New York, 16.—The World says business at the Mining Stock Exchange was unusually active, to-day, and the aggregate/siles was 121,185 shares against 48,30 yesterday. Caloveras was the most roliceable feature of the day, because of its activity and the sudden strength dis-

Some of the nugget stories remind one of the earlier days of the California mining oraze. In the district of Nevali, for in-stance, we read of pieces of gold as large as a man's hand found on the Pandi River, and on top of Needle Rock range nuggets as big as two hands could com-pass. On Pandi River, below Perishots crossing, layers of gold an inch thick, have been brought to light. A column might be filled with similar atstements.
